**Subject: Newly appointed exclusive North American Distributor, Lift Division**

We are pleased to announce that Seim Screw Pumps of Cusago/Milano Italy has appointed Shanley Pump and Equipment, Inc. as our exclusive importer of SEIM elevator pumps, coolers and chillers for the North America, effective immediately.

At SEIM, we already have a longstanding relationship with Shanley Pump and Equipment, Inc. They have been our industrial pump distributor for 25 years, serving the North American market for industrial screw pumping applications. Shanley Pump and Equipment, Inc. already has on its staff SEIM factory trained engineers and technicians. Together we have established long standing procedures for quickly processing, shipping and expediting customer orders. As well as shipping and inventory management from SEIM to Shanley Pump and Equipment, Inc.

Shanley Pump and Equipment, Inc. will now provide the elevator market with immediate responses to all inquiries and purchase orders. Shanley Pump and Equipment, Inc. will keep a large inventory of SEIM elevator screw pumps, coolers and chillers to meet the needs of the elevator market. Shanley Pump and Equipment, Inc. will appoint a product manager and sales engineers to oversee all aspects of the North American elevator market.

Please feel free to contact Shanley Pump and Equipment, inc. at [www.shanleypump.com](http://www.shanleypump.com) or call (847)439-9300.

Best Regards,

Mauro Martini
